WORK EXPERIENCE

WEB MASTER - 09/2018 till date

FHG ENTERPRISE

- I have successfully designed e-commerce websites, blogs, and portfolios and ensuring customer satisfaction. Additionally, I have provided training to new students on creating websites using WordPress.
- Successfully developed a plugin that adds extra fee to woocommerce checkout. This plugin enhances the WooCommerce experience by providing a valuable extra fee feature and empowering administrators with efficient data export capabilities, making it an invaluable tool for WooCommerce store owners.
- Used email marketing tools like MailChimp, Zoho, salesforce, mailerlite, activecampaign as tools to design, build and create various email marketing strategies.
- Worked closely with the team leader to deliver innovative solutions for client challenges on their website while skillfully negotiating contracts with clients.

FREELANCE WEB DEVELOPER - 09/2017

FIVERR & UPWORK

- Made use of PHP, wordpress and wix cms to develop different organisation's website.
- Developed and implemented strategies to increase website traffic, engagements and conversion rates to deliver tangible results.
- Used anydesk for remote screen control to fiix issues on clients website
- Also analyzed clients website to identify trends, insights and opportunities for growth which I used to attain greater visibility.

WEBSITE MANAGER 2020 - PRESENT

UNIQUE TOURS AND RENTALS LTD (PROVIDENCIALES)

- Updates the website regularly to ensure it is visually appealing, user friendly and optimized for better performance.
